Have you ever heard of **Natural Family Planning** before? NFP is a way of following God's plan for achieving and/or avoiding pregnancy. It's a system that uses a woman's signs of fertility to determine the fertile and infertile times of her cycle. Approved by the Catholic Church, NFP enables couples to avoid pregnancy by practicing chaste abstinence during the fertile time of the woman's cycle. As a married couple, why should you consider NFP in your marriage as opposed to artificial contraception? **Come to a very special presentation at Immaculate Heart of Mary Church on August 19th from 6:30 to 8 p.m. in the parish social hall.** Dr. Luis Garcia, MD of York will present on basic Church teaching regarding sexuality and NFP, and then will teach on various forms of NFP and the science behind them. From this first session, couples will then have the opportunity to learn a specific model of NFP that is best suited for their family's needs. Advanced registration is not required, but for further information please call the parish office at (717) 259-0611.

### July 24, 2016 - Seventeenth Sunday in Ordinary Time

*Year of Mercy Scripture for Meditation from Pope Francis: Mk 5:19.*

From Tuesday through next Sunday the special jubilee during the Year of Mercy is the jubilee for young people, coinciding with the World Youth Day in Krakow, Poland. Youth are prone to doubt, but recent sociological data indicates that they often embody the attitudes and beliefs of their parents and close relatives. During this special jubilee, let us be attentive to our youth, pray for them, and practice the spiritual work of mercy, to advise the doubtful. Let us mercifully listen to youth and others in our families, workplaces, and communities and dispel doubts by sharing our faith in the hope Christ promises. Youth long to be inspired by heroic examples of faith and authentic stories of faith. They long to be understood, to be listened to, and to be heard. Engage in dialogue about faith and truth with a young person in your life.
